*Taking Pride in Our Lodge!*

February 2021 Newsletter

[www.suttoncourt7826.org.uk](http://www.suttoncourt7826.org.uk)

What a year 2020 proved to be for everyone, and Freemasonry was no exception. COVID-19 effectively closed most masonic activities from March onwards, and to date the situation remains unaltered.

Most Lodges have not met now for best part of a year, and have little contact with their members and friends other than the odd telephone call.

**Sutton Court 7826** has been leading in building a social network amongst its members and friends of the Lodge using WhatsApp and ZOOM.

It is now 11 months since we started our regular weekly Wednesday evening ZOOM meetings, keeping everyone in contact, exchanging gossip and news, and planning for when regular meetings can resume. The format of these ZOOM meetings has evolved over this time, with the *Secrete Santa ZOOM* meeting for its last meeting before Christmas, and now the new monthly ZOOM CHALLENGE where brethren are tasked with guessing photo challenges with cryptic clues thrown in.

We did manage to hold a COVID-secure meeting limited to just 6, in September when we initiated Bro Mick Fivey into the Lodge. This now gives us three entered apprentices with another applicant, Gareth Williams waiting to be initiated. Gareth is a regular on the weekly ZOOM meetings as are both Mick and Karl, two of our other EAs.

It now looks like we will not be resuming any Lodge meetings in any meaningful way before September, which means our current Master, W/Bro Paul Tredgett, will serve another term in office.

## New Banner Update – Taking pride in Our Lodge

Progress with our banner has been unfortunately delayed for two reasons, partly due to COVID-19 and Sutton Court as a Lodge not being able to hold meetings, but secondly, due to major fire at Southern Regalia's premises at Bosham, West Sussex mid-January.

Fortunately, Southern Regalia is back up and running in a limited capacity from temporary premises.

In hindsight this may benefit the Lodge as we are now looking to hold our banner dedication ceremony and Reunion meeting in 2022, which will be an opportunity to commemorate our **60<sup>th</sup> Anniversary** of the founding of Sutton Court on 29<sup>th</sup> May 1962.

Watch this space for more exciting details and updates.

Since we launched our all-new website in October things have continued to develop at pace.

We have created a dedicated "Members Area" which is accessed by a 2-stage password protected section by all Brethren of Sutton Court Lodge.

The Members Area continues to be developed, with more recent additions such as SOLOMON, the on-line training support for Brethren produced by Grand Lodge, together with UGLE's latest 2021 Book of Constitutions. Also included is PGLM's Yearbook 2021, and UGLE publication "Information for the Guidance of the Craft. Our own Sutton Court By-laws is likewise accessible by clicking on the dedicated icon.

A key part of the Members Area is our very own Sutton Court Archives where you can access essential forms, such as Craft Registration Form for new recruits or joining members, as well as past summons, minutes of meetings and GP meetings etc.

We have now developed a "Secure Vault" where essential documents appertaining to the day-to-day operations of the Lodge are stored. This includes all the Lodge's financial details going back 10 years, and is updated at the end of each month representing the current financial position of the Lodge.

There is still a lot more we want to add into our site, and this is something you can all help and contribute to. Old photos, summons, even details of your own membership of the Lodge helps to build up and retain our proud history – *We are 60 years in the making next year!*

We have also completed the Heston 4888 Lodge website which went live on 1<sup>st</sup> February. We are continuing to give technical support as well as updating the site for them for the next year. The initial comments we received since going live included "awesome, thank-you" and "great, well done."

*Sutton Court Ladies Festival - New dates announced for 2021.....*

*.....But 2020 Prices Held for ALL!*

New dates for your diary:

Friday October 8<sup>th</sup> – Sunday October 10<sup>th</sup> 2021

*....and the best news is.....*

*There are no price increases – how good is that!*

The Festival Secretary agreed the prices in 2019 with the expectation of holding a grand festival in April 2020, but due to Covid we rescheduled to March 2021. However, it soon became clear this date could be at risk, and with a bit of fancy footwork and excellent relationships with the management team at the Langham Hotel in Eastbourne, we've secured the new date of 8 – 10<sup>th</sup> October 2021 with absolutely no price increases across all booking options.

We are now taking bookings with prices starting at £199 per person for the 2-day Ladies Festival. We have plenty of places to fill with a range of 1-night and 3-night alternative options are available, with prices on request aimed to suit everyone's needs.

Brethren of the Lodge are encouraged to take a table of 8-10 guests and it's a great opportunity to invite family and friends for a terrific weekend from Friday to the Sunday.

We have plenty of fantastic raffle prizes just waiting to be won, so please give us your support and book now, either just for your immediate family or better still for a table of friends.

What a better way to introduce your friends to freemasonry and to Sutton Court Lodge in particular – they could just be the next generation of members coming into our much-loved and friendly Lodge!

## *Tail-light*

*– for all the latest news from around and about in Province and Sutton Court Lodge*

Twickenham & District Masonic Centre – Cole Court remains closed until further notice due to the Pandemic. Everyone is waiting in anticipation for news as to when Cole Court will reopen for Masonic meetings and Lodges of Instruction. Word on the grapevine is that this may not be before September, but this has NOT been confirmed. If it's sooner, we will welcome it and be back like a shot!

Tom and his wife, Maggie, stewards at Cole Court, have suffered badly with COVID-19 as has Mick Fivey, our recent initiate, and we all join together to wish them a heart-felt speedy recovery. We are looking forward to seeing them all again as soon as possible. Our thoughts are with you and everyone else who has suffered.

Staying with Cole Court – which is not just our Centre, it's our home. We are proud that throughout the forced closure and suspension of meetings, Sutton Court 7826 has not hesitated in paying its per-capita fees for every meeting during the entire period, even though most of those meetings have been cancelled. Cole Court needs every bit of support it can get if it is to come through this and remain not just our center, but our center to be proud of! Since January 2020, we have paid on-line the fees for each meeting, often several weeks in advance to help with their cashflow. Without Cole Court many Lodges will become homeless and may not survive, so our message is – please support Cole Court!

COVID-safe meetings in future – At Sutton Court Lodge we have invested in surgical-standard sterile white gloves that are disposed of after each meeting. Not only is this to ensure all brethren attending as per guidelines, are safe, but being white it makes our meetings more realistic and traditional. Meetings without white gloves just didn't seem right. By making this investment we are not only complying with regulations and guidelines, but maintaining traditional standards. We are prepared, ready and safe when meetings resume under the guidance of our COVID-19 Risk Assor, W/Bro Terry Gray, who specializes in carrying out risk assessments professionally.

Sutton Court Lodge 7826 has been honoured and privileged with two of its Brethren receiving promotion. W/Bro Derek Lawrence is promoted to Past Provincial Senior Grand Warden (PPrSGW). W/Bro Tony R S Ashford has also been honoured with promotion to Past Provincial Grand Registrar (PPGR). The appointments take effect from 11<sup>th</sup> May 2021. There will be a special ceremony for all Brethren who have received promotions, held at Great Queen Street. However, this ceremony, due mid-May, may have to be rescheduled or postponed should COVID-19 restrictions still be in force.

Sutton Court Birthday Cards Our esteemed Secretary, W/Bro Geoff Duff has set up a wonderful initiative, that of sending a Sutton Court Masonic birthday card to every member and friend of the Lodge. Not only has he made this initiative happen, he's donating the cost of postage.
