PLANNED RESUMPTION OF LODGE MEETINGS

Following the announcement today of the gradual easing of COVID-19 restrictions over the next few months it is prudent that we pre-plan for a resumption of our lodge meetings.

Whilst there remains some uncertainty over the next few months, it is reasonably certain that we will be able to hold our "normal" Lodge meetings from September 2021 onwards.

With this in mind, I have prepared the following provisional timetable to help Brethren focus on moving forward in a positive way. It will also help those who will have different and challenging work commitments to pre-plan and juggle their diaries as far as is practicable. Many of you will also be looking to plan a much-needed holiday

Naturally, the above dates are provisional and are subject to amendment depending on future Government action in relation to COVID-19 restrictions, but this does allow us to plan ahead with some degree of confidence and to an orderly return to Masonic life.

Following discussions, it is intended that the current officers of the Lodge remain in their posts until June 2022, when new officers, having been elected or appointed in the normal manner, will be installed in their posts.

Holidays and Lodge meetings:

What is important is recognising that many will be looking to take a few holidays both home and abroad, and hopefully the diary above will be useful when making plans. Please keep our Secretary informed if you're not available for Lodge meetings where you have a specific role to perform.

June 2021 Meeting:

The potential for this meeting, the last in this masonic year, remains uncertain. It is anticipated that it may proceed, but be subject to certain COVID-19 restrictions, including a limit on numbers of either 6 or 15(?). More information will be published nearer the time.

Please visit our website www.suttoncourt7826.org.uk/news for the latest update.

To further aid our commitment to safety whilst enjoying our meetings, a supply of white sterlised medical quality disposable gloves will be available for everyone when in the meetings free of charge. If you wish to donate £2.50 per pair to cover the cost, this is optional.
